PROXY STATEMENT

**Annual Meeting of Stockholders
to be held on May 27, 2009**

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

This proxy statement is furnished in connection with the solicitation by the board of directors of Citi Trends, Inc. of proxies to be voted at the annual meeting of stockholders on May 27, 2009. This proxy statement, the accompanying proxy card and the annual report to stockholders are being mailed to stockholders on or about April 24, 2009.

The principal executive offices of Citi Trends, Inc., a Delaware corporation, are located at 104 Coleman Boulevard, Savannah, Georgia 31408, and our telephone number is (912) 236-1561.

The terms "Citi Trends" or the "Company" (as well as the words "we," "us" and "our") refer to Citi Trends, Inc. References to "you" or "your" refer to our stockholders.

In this section of the proxy statement, we answer some common questions regarding the annual meeting of stockholders and the voting of shares of common stock at the meeting.

Where and when will the annual meeting be held?

The date, time and place of the meeting are: May 27, 2009, at 9:00 a.m., EDT, at Hilton Garden Inn-Airport, 80 Clyde E. Martin Drive, Savannah, Georgia 31408. For directions to the meeting, please call the Hilton Garden Inn-Airport at (912) 964-5550.

Why did you send me this proxy statement?

This proxy statement was prepared under the direction of our board of directors to solicit your proxy for voting at our annual meeting. We sent you this proxy statement and the enclosed proxy card because our board of directors is asking for your proxy to vote your shares at the annual meeting. We have summarized information in this proxy statement that you should consider in deciding how to vote at the meeting. But you do not have to attend in order to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card.

What can I vote on at the meeting?

The matters scheduled to be voted on at the meeting are:

- (1) The election of two directors to our board of directors to hold office until the annual meeting of stockholders in 2012 and until their successors are elected and qualified;
- (2) To approve the Citi Trends, Inc. Annual Incentive Bonus Plan; and
- (3) Ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending January 30, 2010.

How does the board of directors recommend that I vote?

The board of directors recommends that you vote your shares "FOR" each of the nominees to the board of directors, "FOR" the approval of the Citi Trends, Inc. Annual Incentive Bonus Plan and "FOR" the ratification of KPMG LLP as our independent registered public accounting firm for the fiscal year ending January 30, 2010.

Who can vote?

You can vote your shares of common stock if our records show that you were the owner of the shares as of the close of business on March 30, 2009, the record date for determining the stockholders who are entitled to vote at the annual meeting. As of the close of business on March 30, 2009, there were a total of 14,685,737 shares of our common stock outstanding and entitled to vote at the annual meeting. You get one vote for each share of common stock that you own. Holders of shares of common stock do not have cumulative voting rights. The enclosed proxy card shows the number of shares you can vote.

What is the required vote for approval?

The election of our nominees for director requires a plurality of the votes cast at the annual meeting. The approval of the Citi Trends, Inc. Annual Incentive Bonus Plan and the ratification of the appointment of KPMG LLP as our independent registered public accounting firm each requires a majority of the votes cast at the annual meeting on such matters.

How are votes counted?

We will hold the annual meeting if stockholders representing the required quorum of shares of common stock entitled to vote either sign and return their proxy cards or attend the meeting in person. One third of the shares of common stock outstanding and entitled to vote at the meeting present in person or by proxy will constitute a quorum. If you sign and return your proxy card, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote as indicated on the proxy card.

Votes withheld from a director nominee, abstentions and broker non-votes will be counted as shares present for the purpose of determining a quorum but will not be counted in determining the number of shares voted "for" a director nominee or votes cast "for" or "against" the proposal to approve the Citi Trends, Inc. Annual Incentive Bonus Plan or the proposal to ratify the appointment of KPMG LLP as our independent registered public accounting firm.

How do I vote?

Stockholders of record may vote in person by attending the annual meeting or by completing and returning the proxy by mail. Your vote is very important, so whether you plan to attend the annual meeting or not, we encourage you to vote by proxy as soon as possible.

How do I vote by proxy?

Follow the instructions on the enclosed proxy card to vote on the matters to be considered at the annual meeting. The individuals named and designated as proxies in the proxy card will vote your shares as you instruct. If you do not mark a selection, your proxy will be voted as recommended by the board of directors.

You have the following choices in completing your proxy:

- You may vote on each proposal, in which case your shares will be voted in accordance with your choices.
- In voting on the nominees for director, you can either vote "FOR ALL" the nominees or withhold your vote on the nominees as a group or for any particular nominee.
- You may abstain on the proposal to approve the Citi Trends, Inc. Annual Incentive Bonus Plan, in which case no vote will be recorded on that matter.

- You may abstain on the proposal to ratify the appointment of KPMG LLP as our independent registered public accounting firm, in which case no vote will be recorded on that matter.
- You may return a signed proxy card without indicating your vote on any matter, in which case the designated proxies will vote to elect all of the nominees as directors, to approve the Citi Trends, Inc. Annual Incentive Bonus Plan and to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending January 30, 2010.

How do I vote if my shares are held in "street name"?

If your shares are held in the name of your broker, a bank or other nominee, that party will give you instructions for voting your shares.

What if other matters come up at the annual meeting?

The only matters we now know of that will be voted on at the annual meeting are the proposals we have described in this proxy statement: the election of the directors; the proposal to approve the Citi Trends, Inc. Annual Incentive Bonus Plan; and the proposal to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending January 30, 2010. If other matters are properly presented at the meeting, the designated proxies will vote your shares in their discretion.

Can I change my vote after I return my proxy card?

Yes, so long as you are the record holder and not a nominee holder of the shares. At any time before the vote on a proposal, you can change your vote either by giving us a written notice revoking your proxy card or by signing, dating and returning to us a new proxy card or by attending the annual meeting and voting your shares in person. We will honor the proxy card with the latest date.

Proxy revocation notices or new proxy cards should be sent to Citi Trends, Inc. c/o American Stock Transfer and Trust Company, 6201 15th Avenue, Brooklyn, New York 11219.

Can I vote in person at the annual meeting rather than by completing the proxy card?

Although we encourage you to complete and return the proxy card to ensure that your vote is counted, you can attend the annual meeting and vote your shares in person even if you have submitted a proxy card if you are a stockholder of record on the record date. If your shares are held in street name, then you may vote your shares in person only if you have a legal proxy from the entity that holds your shares giving you the right to vote the shares. A legal proxy is a written document from your brokerage firm or bank authorizing you to vote the shares it holds in its name. If you attend the meeting and vote your shares by ballot, your vote at the meeting will revoke any vote you submitted by mail.

What do I do if I receive duplicate proxy statements and cards?

You may receive more than one proxy statement, proxy card or annual report. This duplication will occur if you have shares registered in different names or your shares are in more than one type of account maintained by American Stock Transfer and Trust Company, our transfer agent. To have all your shares voted, please sign, date and return all proxy cards.

Who will count the votes?

American Stock Transfer and Trust Company will tabulate the votes. Corporate Communications, Inc. will serve as the inspector of election.

Who will conduct this proxy solicitation and who pays for this proxy solicitation?

We regularly retain the services of Corporate Communications, Inc. to assist with our investor relations and other stockholder communications issues. Corporate Communications, Inc. will assist in the solicitation of proxies and will not receive any additional compensation for these services. Corporate Communications, Inc. may solicit proxies by telephone, facsimile, other forms of electronic transmission and by mail. We will reimburse the firm's expenses in connection with the solicitation. In addition, proxies may be solicited on our behalf by our directors, officers or employees in person or by telephone, facsimile, electronic transmission and by mail. None of these persons will receive any extra compensation for doing this.

In addition, we will request that brokerage houses, banks and other custodians or nominees holding shares in their names for others forward proxy materials to their customers or principals who are the beneficial owners of shares and we will reimburse them for their expenses in doing so.

**PROPOSAL 1:
ELECTION OF DIRECTORS**

Our board of directors currently consists of six directors, R. David Alexander, Jr., R. Edward Anderson, Brian P. Carney, Lawrence E. Hyatt, John S. Lupo, and Patricia M. Luzier. Our directors are divided into three classes having staggered three-year terms, so that the term of one class expires at each annual meeting of stockholders. Two nominees will be proposed for election as Class I directors at the annual meeting to hold office until the annual meeting in 2012 and until their successors are duly elected and qualified.

It is intended that the persons named in the accompanying proxy will vote to elect the nominees listed below unless authority to vote is withheld. The elected directors will serve until the annual meeting of stockholders in 2012 or until an earlier resignation or retirement or until their successors are elected and qualify to serve.

The nominees have agreed to stand for election and are available for election. However, if a vacancy in the slate of nominees is caused by death or other unexpected occurrence, it is intended that shares represented by the accompanying proxy will be voted for the election of a substitute nominee selected by the persons named in the proxy.

Nominees for Election as Class I Directors

R. David Alexander, Jr. was appointed by our board of directors to serve as a director effective April 5, 2009. Our board of directors has nominated Mr. Alexander for election by the stockholders at this annual meeting to serve as a Class I director for a three-year term expiring in 2012.

Vote Required; Recommendation

Board of Directors Committees

The board of directors has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee, each comprised solely of the independent members of our board of directors, Messrs. Carney, Hyatt and Lupo and Ms. Luzier.

Audit Committee

The Audit Committee, currently consisting of all four of the Company's independent directors: Messrs. Carney, Hyatt and Lupo and Ms. Luzier, reviews our internal accounting procedures and consults with and reviews the services provided by our independent registered public accountants. The current members of the Audit Committee satisfy NASDAQ's audit committee member independence requirements. Mr. Hyatt is the Chairman of the Audit Committee. The board of directors has determined that Mr. Hyatt is an "audit committee financial expert" as defined by rules of the Securities and Exchange Commission (the "SEC"). During fiscal 2008, the Audit Committee met 9 times.

The Audit Committee was established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Audit Committee oversees the Company's accounting and financial reporting processes, both internal and external, and audits of the

Company's financial statements, on behalf of the board of directors. The principal duties and responsibilities of our Audit Committee, among other things, are to:

- have direct responsibility for the appointment, selection, compensation, retention, replacement and oversight of the work of our independent registered public accounting firm, including prescribing what services are allowable and approving in advance all services provided by them;
- discuss with the internal auditors and the independent registered public accounting firm the overall scope and plans for their respective audits and the results of their respective audits;
- review our annual audited financial statements and quarterly unaudited financial statements, and discuss the statements with management and the independent registered public accounting firm and review our earnings press releases, as well as financial information and earnings guidance provided to analysts and rating agencies;
- review and discuss with management, the internal auditors and the independent registered public accounting firm the adequacy and effectiveness of our internal controls, including our ability to monitor and manage business risk, legal and ethical compliance programs and financial reporting;
- review and approve all related party transactions consistent with the rules applied to companies listed on The NASDAQ Stock Market; and
- establish procedures regarding complaints received by us or our employees regarding accounting, accounting controls or auditing matters.

The Audit Committee is required to report regularly to our board of directors to discuss any issues that arise with respect to the quality or integrity of our financial statements, our compliance with legal or regulatory requirements, the performance and independence of our independent registered public accounting firm, or the performance of the internal audit function. The Audit Committee's work is guided by a written charter which has been approved and adopted by the board of directors. A copy of the current Audit Committee charter is available on the Company's website located at <http://www.cititrends.com>. The information set forth on this website should not be deemed filed with, and is not incorporated by reference into, this proxy statement or any of the Company's other filings under the Securities Act of 1933 or the Exchange Act, except to the extent that the Company specifically so provides.

Compensation Committee

The Compensation Committee, currently consisting of all four of the Company's independent directors: Messrs. Carney, Hyatt, and Lupo and Ms. Luzier, reviews and determines the compensation and benefits of the Company's executive officers and administers our incentive and equity-based compensation plans. Mr. Lupo is the Chairman of the Compensation Committee. The Compensation Committee has adopted a formal charter which is available on our corporate website at <http://www.cititrends.com>. During fiscal 2008, the Compensation Committee met 5 times. The principal duties and responsibilities of our Compensation Committee, among other things, are to:

- review and approve corporate goals and objectives relevant to our Chief Executive Officer's and other named executive officers' compensation and evaluate the Chief Executive Officer's performance in light of these goals and objectives;
- review and administer the Company's incentive and equity-based compensation plans;
- determine and approve the Chief Executive Officer's compensation;
- make recommendations to our board of directors regarding the salaries, incentive compensation plans and equity-based plans for our executive officers;

- oversee, in consultation with management, regulatory compliance with respect to compensation matters;
- review and approve any severance or similar termination payments proposed or made to any of our current or former executive officers; and
- review and approve any employment contracts or other contractual arrangements resulting in any payment to any employee of the Company proposed to be made as a result of a change in control of the Company.

The form and amount of director compensation is annually determined by our board of directors after a recommendation from the Nominating and Corporate Governance Committee.

The Compensation Committee has the discretion to delegate all or a portion of its duties and responsibilities to a subcommittee of the Compensation Committee. In addition, the Compensation Committee has delegated limited authority to a committee consisting of our Chief Executive Officer to grant awards under the 2005 Long-Term Incentive Plan to non-executive employees of the Company. The Compensation Committee has the authority and resources to engage compensation consultants and legal, accounting or other advisors to provide the Committee with advice and information in connection with carrying out its responsibilities. In 2008, the Compensation Committee once again engaged Towers Perrin (the "Compensation Consultant") to provide advice on the Company's executive and director compensation practices.

See "Compensation Discussion and Analysis" elsewhere in this proxy statement for a discussion of the role of the Compensation Consultant and executive officers in the compensation process and further discussion of the processes and procedures of the Compensation Committee. See also "Compensation Committee Report" elsewhere in this proxy statement.

Policies Relating to our Board of Directors

Nomination and Selection of Directors

Our Nominating and Corporate Governance Committee identifies and evaluates potential director candidates in a variety of ways. Recommendations may come from current members of our board of directors, professional search firms, members of management, stockholders or other persons. In assessing the qualifications of potential nominees, the Nominating and Corporate Governance Committee may rely on personal interviews or discussions with the candidate and others familiar with the candidate's professional background, on third-party background and reference checks and on such other due diligence information as reasonably available. The Nominating and Corporate Governance Committee must be satisfied that the candidate possesses the highest professional and personal ethics and values and has broad experience at the policy-making level in business before the Nominating and

Corporate Governance Committee would recommend a candidate as a nominee to our board of directors and the nominee must meet the following minimum qualifications:

- demonstrated personal integrity and moral character;
- willingness to apply sound and independent business judgment for the long-term interests of stockholders of the Company;
- relevant business or professional experience, technical expertise or specialized skills;
- personality traits and background that appear to fit with those of the other directors to produce a collegial and cooperative board responsive to the Company's needs; and
- ability to commit sufficient time to effectively carry out the substantial duties of a director.

The Nominating and Corporate Governance Committee evaluates nominees submitted by stockholders in the same manner as nominees from other sources. Stockholders may recommend nominees for consideration at the annual meeting by submitting the names and the following supporting information to the Secretary of the Company at: Secretary, Stockholder Nominations, Citi Trends, Inc., 104 Coleman Boulevard, Savannah, Georgia 31408. Such submissions must be received by the Secretary not less than ninety (90) calendar days and not more than one hundred twenty (120) calendar days prior to the first anniversary of the previous year's annual meeting. The submission should include a current resume and curriculum vitae of the candidate and a statement describing the candidate's qualifications and contact information for personal and professional references. The submission should also include the name and address of the stockholder who is submitting the nominee, the number of shares which are owned of record or beneficially by the submitting stockholder and a description of all arrangements or understandings between the submitting stockholder and the candidate and should otherwise comply with the requirements of our bylaws.

Communications with our Board of Directors

Stockholders and other interested parties may communicate directly with our board of directors, the non-management directors as a group or individual directors. All communications should be in writing and should be directed to the Secretary of the Company at: Stockholder Communications, Citi Trends, Inc., 104 Coleman Boulevard, Savannah, Georgia 31408. The sender should indicate in the address whether it is intended for the entire board of directors, the non-management directors as a group or an individual director. Each communication received by the Secretary will be forwarded to the intended recipients.

Director Attendance at Annual Meeting of Stockholders

We do not have a formal policy regarding attendance by directors at our annual meeting of stockholders but invite, expect and encourage all directors to attend. All of our directors who were serving as directors at the time, attended the 2008 annual meeting of stockholders.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

In the paragraphs that follow, we will give an overview and analysis of our compensation program and policies, the material compensation decisions we have made under those programs and policies with respect to our top executive officers, and the material factors that we considered in making those decisions. Later in this proxy statement you will find a series of tables containing specific information about the compensation earned or paid in fiscal 2008 to the following individuals, whom we refer to as our named executive officers:

- R. Edward Anderson, our Chief Executive Officer during fiscal 2008,
- Elizabeth R. Feher, our Executive Vice President and Chief Merchandising Officer (effective April 2, 2008),
- Bruce D. Smith, our Senior Vice President and Chief Financial Officer,
- James A. Dunn, our Senior Vice President of Store Operations, and
- Ivy D. Council, Senior Vice President of Human Resources.

The discussion below is intended to help you understand the detailed information provided in the compensation tables and put that information into context within our overall compensation program.

Objective of Our Compensation Program

In order to maintain a critical advantage in our competitive marketplace, we believe our compensation program should be designed to provide market-competitive compensation and benefits that will enable us to attract and retain a talented, diverse workforce. In furtherance of those goals, our compensation program is designed to:

- enable the Company to retain and motivate a team of high quality executives who will create long-term stockholder value;
- create opportunities to participate in the ownership of the Company and to share in the value the executives help create; and
- provide rewards that are proportional to each executive's contribution to our success.

Our compensation philosophy emphasizes each individual's responsibility for high achievement and provides a strong link between pay and performance on both an individual and company level. As noted above, the compensation decisions that are discussed below relate primarily to fiscal 2008, our third full fiscal year following our initial public offering in May 2005. As a relatively new public company, our compensation philosophy continues to develop as we evaluate our compensation program to identify its strengths and weaknesses. To assist us with this evaluation, we have utilized the services of the Compensation Consultant to provide market data and other resources in connection with our compensation review, as further discussed below. In addition, we added Ms. Ivy Council, Senior Vice President of Human Resources, to our management team in January 2007, to assist in the design and management of our compensation program, among other things. Ms. Council joined our Company with a very strong background in human resources. Together, our management team and Compensation Committee will continue to develop and refine our compensation philosophy, program and practices over time, with the goal of maximizing stockholder value.

How We Determine and Assess Executive Compensation

Role of the Compensation Committee and Executive Officers

The Compensation Committee plays an integral role in the strategic direction and administration of the compensation structure of the Company. The Compensation Committee and our Chief Executive Officer work together to ensure that the compensation paid to our named executive officers is in line with our compensation philosophy and furthers our long-term goals.

After forming qualitative judgments regarding individual performance within each executive's areas of direct responsibility, as well as how such performance serves the entire Company, and discussions with the Compensation Committee and other members of management regarding appropriate levels of compensation, our Chief Executive Officer recommends to the Compensation Committee base salary, target annual cash incentive amounts and annual cash incentive program formulas, and long-term equity incentive grants for our executive officers (other than himself). The Compensation Committee reviews such recommendations and determines whether, in light of our compensation philosophy, the recommended compensation levels are appropriate. This determination includes consideration of recommendations by the Compensation Consultant as described below. Upon such determination, the Compensation Committee formally approves the compensation levels. Our Chief Executive Officer is not involved with any aspect of determining his own compensation. The Compensation Committee independently sets the Chief Executive Officer's total compensation package, taking into account the same factors as for the other executive officers.

Compensation Consultant

From time to time, the Compensation Committee selects and engages outside compensation consultants and other experts for survey data and other information as it deems appropriate. As discussed in further detail in the following section, the Committee once again engaged the Compensation Consultant in 2008 to provide an analysis of the Company's compensation practices and to provide an update to the Committee as to current compensation trends.

Market Data

Periodically, for the purposes of benchmarking executive compensation, the Compensation Committee reviews the compensation practices of a group of public companies selected from an industry peer group comprised primarily of specialty apparel retailers. Prior to our initial public offering, the Compensation Consultant conducted a competitive market analysis based on (i) the public disclosures of a competitor peer group developed by the Compensation Consultant and approved by the Company, and (ii) data from various sources, including primary retail and wholesale industry compensation surveys. While a number of the companies in the peer group had higher revenues than the Company, given the Company's expected growth at that time, the Compensation Committee believes this was an appropriate group for benchmarking purposes. In 2008, the Compensation Consultant once again compared our compensation practices to those of the original peer group, but also compared them to a new peer group that consisted of the same apparel retailers in the original group that were similar in size to the Company, but replaced the larger companies in the original group with other apparel retailers more similar in size to the Company.

The following specialty apparel retailers were included in the new peer group:

bebe stores, inc.	Gottschalks Inc.
The Buckle, Inc.	Hot Topic, Inc.
Cache, Inc.	Jos. A. Bank Clothiers, Inc.
Casual Male Retail Group, Inc.	Stein Mart, Inc.
The Cato Corporation	Syms Corp
Charlotte Russe Holding, Inc.	The Wet Seal, Inc.
Christopher & Banks Corporation	Zumiez Inc.
The Dress Barn, Inc.	

In addition, the Compensation Consultant compared the Company's compensation practices to data from a survey of all industries, which was size-adjusted for an appropriate comparison to the Company ("Market Survey Data").

The Compensation Consultant's analysis focused on the following areas of compensation:

- base salary,
- annual cash incentives,
- total cash compensation (the sum of base salary and annual cash incentives),
- long-term equity incentives (a variable incentive vesting over a multi-year period), and
- total direct compensation (the sum of total cash compensation and long-term incentive awards).

The Compensation Consultant's original study indicated that our executive officers' total cash compensation and total direct compensation fell below median peer company practice. Because total compensation opportunities provided to our executive officers were below median for our peer group, we began an effort to gradually approach the median level of compensation within our peer group over a period of several years. These efforts have included salary increases, higher target awards as a percentage of salary under our cash incentive program and shifting our long-term equity incentives from stock options to restricted stock. As a result, the 2008 study by the Compensation Consultant indicated that our executive officers' total direct compensation is generally at median in relation to the Market Survey Data and generally below median in relation to the new peer group, although progress has been made in closing the gap identified in previous compensation reviews.

Company Performance

We measure our overall financial performance based on a number of financial metrics, of which the most important is earnings before interest, taxes, depreciation and amortization ("EBITDA"). The Company's performance in this area allows us to evaluate the Company's success in any given year. The Company's success and performance impacts our compensation decisions with respect to our executive officers. Only our annual cash incentives are formally tied to this financial metric, although, the future value of long-term equity incentives is at least indirectly tied to such metric.

Elements of our Compensation Program

Our executive officer compensation program consists of the following elements: base salary, annual cash incentives, long-term equity incentives, and certain other benefits.

Base Salary

Base salaries fulfill the fixed portion of our compensation program. Base salaries are set annually by the Compensation Committee based on a variety of factors, including peer group information and a qualitative review of the executive's performance and contributions to the Company. We do not target

salaries to be at any specific level within our peer group. However, as we discussed above, our goal is to position compensation to approach the median of our peer group over time. In consideration of this goal, as well as individual performance evaluations and retention considerations, the Compensation Committee approved increases to our executive officers' base salaries for 2008 in amounts ranging from 12.0% to 18.7%.

Annual Cash Incentives

Our annual cash incentive program provides our executive officers with an opportunity to earn cash awards based on the achievement of our budgeted goal for EBITDA. Due to the importance of this financial metric to the annual and long-term success of the Company, we strive to make the achievement of this goal each year to be a meaningful challenge to our executive officers. The budgeted EBITDA that represents our goal considers many key operating and financial factors including the following:

- Store selling square footage growth;
- Comparable store sales;
- Gross margin;
- Store and distribution operating expenses as a percentage of sales; and
- Corporate expenses

The annual cash incentive program is directly linked to our budget, such that if the Company achieves 100% of its budgeted EBITDA, it is expected that the executive officers would receive 100% of their target award. There is a scale in place that dictates payment of annual cash incentives in the event that actual EBITDA results are between 90% (threshold) and 120% (maximum) of budget. Using the scale, if actual EBITDA is 90% of budget, then 50% of the target award is paid, while if actual EBITDA is equal to or greater than 120% of budget, then 200% of the target award is paid. If actual EBITDA is less than 90% of budget, no cash incentive compensation is paid. In 2008, the EBITDA goal was \$39,062,000, representing a 25% increase over 2007's actual EBITDA. Actual 2008 EBITDA was \$39,326,000, or 100.7% of budget, resulting in cash incentives equal to 102.1% of the target award, as prescribed by the scale. Our Chief Executive Officer recommends a target award for each executive officer based on the executive's position within the Company and consideration of data provided by the Compensation Consultant and, together with the Compensation Committee, determines the appropriate target award for each executive. For fiscal 2008, each executive officer's target award (as a percentage of base salary) was as follows:

<u>Name</u>	<u>Target Award</u>
Mr. Anderson	100%
Ms. Feher	65%
Mr. Smith	50%
Mr. Dunn	50%
Ms. Council	50%

The Compensation Committee did not exercise any discretion to adjust computed awards in 2008. Actual awards earned in 2008 by our named executive officers are shown in the "Non-Equity Incentive Plan Compensation" column of the Summary Compensation Table elsewhere in this proxy statement.

Long-Term Equity Incentives

The long-term equity incentive compensation awards are designed to encourage the creation of long-term value for our stockholders by increasing the retention of qualified key employees and

aligning the interests of executive officers with our stockholders through the officers' ownership of equity in the Company.

We do not target a particular percentage of total compensation to be provided to executive officers in the form of equity based awards. The dollar value of each equity grant is within the discretion of the Compensation Committee and is based on recommendations made by our Chief Executive Officer, which take into account the executive's past performance, the executive's position within the Company, and an evaluation of other elements of compensation provided to the executive officer. The Committee also considers the compensation studies performed by the Compensation Consultant to determine the appropriate size of the equity-based awards.

Prior to 2007, the Company used stock options as the primary form of long-term equity incentive for its executive officers. In 2007 and 2008, we granted restricted stock to our named executive officers under the 2005 Long-Term Incentive Plan. We believe the shift to full-value restricted stock will provide stronger incentives for the creation of long-term stockholder value, provide greater retention value for the executives, and result in less stockholder dilution. The 2008 grants were determined as a percentage of base pay, ranging from 50% for the named executive officers that are senior vice presidents to 100% for the Chief Executive Officer. For more information regarding these long-term incentives granted to our named executive officers in fiscal 2008, please see the "Grants of Plan-Based Awards Table for Fiscal Year 2008" and "Outstanding Equity Awards at Fiscal Year-End Table for Fiscal Year 2008" and the related footnotes elsewhere in this proxy statement.

Other Benefits

Retirement. We maintain the Citi Trends, Inc. 401(k) Profit Sharing Plan, a tax-qualified, defined contribution employee benefit plan in which a substantial majority of our employees, including the named executive officers, are eligible to participate. We match 50% of employee contributions to the plan, up to a maximum of 4% of an employee's total calendar year compensation (subject to IRS limits).

Perquisites. During fiscal 2008, the Company provided Messrs. Anderson and Dunn with the use of a company car and paid a car allowance to Ms. Feher. The Company paid for temporary housing expenses in connection with Ms. Feher's relocation after being hired. Each executive officer also received life/long-term disability insurance coverage. We did not provide any other special benefits or perquisites to our executive officers. We believe these perquisites are reasonable in light of peer group practices. We provide health and welfare benefits to our executive officers on the same basis as we provide to all of our salaried employees.

Severance Agreements. We maintain severance agreements with all of the named executive officers, which provide severance benefits in the event their employment is terminated by the Company without cause or in connection with a change in control of the Company. Each severance agreement provides that if the Company terminates an executive's employment without Cause (as defined in the severance agreement) or if the executive terminates his or her employment within twelve months of a Change in Control (as defined in the severance agreement) provided that within such period the executive's job duties have been materially diminished or compensation has been materially decreased, the Company will provide the executive with separation payments of twelve months base salary. The Company provides involuntary termination severance benefits to protect individuals from events outside their control and to offer compensation packages similar to those commonly found in our market for competing executive talent. Furthermore, the Company provides benefits in the event of a change in control to protect against disruption in the event of a change in control. We believe that these severance agreements serve as an important retention element of the compensation package provided to these officers. The potential severance benefits payable to our named executive officers are

described in "Potential Payments upon Termination or Change in Control" elsewhere in this proxy statement.

Equity Grant Practices

The Company has a practice of generally making equity awards on pre-established dates. Annual equity awards are presented to the Compensation Committee for approval at a regularly scheduled Compensation Committee meeting usually held in March. Equity awards are also given to employees throughout the year, as they are hired or promoted into positions eligible for those awards. We make decisions on equity grants based solely on our compensation and retention objectives and our established measurements of the value of these awards. If at the time of any planned action relating to a grant of this type of compensation, any member of the Compensation Committee or the Chief Executive Officer making recommendations to the Committee is aware of material non-public information about the Company or our prospects, it is our policy to make such grant without giving effect to such information. However, an effort is made to make the annual grants each March effective three business days after the Company's fourth quarter earnings release, in order to allow time for the release to be disseminated to the investment community, while also minimizing the timeframe in which material non-public information can develop between the date of the earnings release and the date on which the grants are determined.

Tax and Accounting Considerations

The accounting treatment of compensation has been a factor in determining the type of equity awards to grant to our executive officers. Prior to fiscal 2006, the favorable accounting treatment of stock options played an important role in the Company's decision to use this form of equity award. Following the adoption of FAS 123R, however, the Company reevaluated its equity grant practices, and in fiscal 2007 shifted to restricted stock as its primary form of equity awards, as discussed above.

Generally, the Compensation Committee considers the net cost to the Company, and its ability to effectively administer executive compensation in the long-term interests of stockholders. Section 162(m) of the Internal Revenue Code places a limit of \$1 million on the amount of compensation that we may deduct in any year with respect to any one of our named executive officers. This limitation does not apply to compensation that meets the requirements under Section 162(m) for "qualifying performance-based" compensation. It is the Compensation Committee's intent to maximize deductibility of executive compensation while retaining some discretion needed to compensate executives in a manner commensurate with performance and the competitive landscape for executive talent. No deductions for compensation paid for 2008 or prior years have been limited under Section 162(m) of the Code. As discussed elsewhere in this proxy statement, the Company is requesting stockholder approval of an incentive bonus plan designed to enhance the Company's ability to deduct executive compensation on its tax returns.

Employment Agreements

On December 29, 2005, we entered into an amended and restated employment agreement with Mr. Anderson. The employment agreement provides a base salary to Mr. Anderson, subject to adjustment by the board of directors, and provides that Mr. Anderson will be eligible to earn a bonus at the sole discretion of the board of directors. The minimum salary specified in the agreements for Mr. Anderson is \$340,000 per year.

The employment agreement may be terminated by Mr. Anderson or us at any time for any reason or no reason. If Mr. Anderson is terminated without cause or in connection with a change in control of the Company, he will be entitled to certain severance benefits, as described below under "Potential Payments upon Termination or Change in Control" elsewhere in this proxy statement.

We entered into a Letter Agreement with Mr. Smith on March 5, 2007 and with Ms. Council on December 6, 2006. The Letter Agreements provided for an annual gross starting salary of \$250,000 for Mr. Smith and \$200,000 for Ms. Council and participation in our annual bonus plan for management. The Letter Agreements may be terminated by the executive or us at any time for any reason or no reason. We entered into an Employment Agreement with Ms. Feher on April 2, 2008 which provided for an annual gross starting salary of \$350,000 and participation in our annual bonus plan for management. The Employment Agreement may be terminated by the executive or us for any reason or no reason, with a requirement that Ms. Feher must provide us with a minimum of thirty days written notice of termination. If Ms. Feher is terminated without cause, she will be entitled to certain severance benefits, as described below under "Potential Payments upon Termination or Change in Control" elsewhere in this proxy statement.

Potential Payments Upon Termination or Change in Control

As discussed in the narrative following the Grants of Plan-Based Awards Table for Fiscal Year 2008, the Company has entered into employment agreements with Mr. Anderson and Ms. Feher. The employment agreements provide that in the event that Mr. Anderson or Ms. Feher is terminated for any reason other than for "cause" (as defined in the employment agreements), they will be entitled to severance pay of six months base salary to be paid in equal amounts over a six-month period, in addition to any accrued and vested benefits. We had no plans or agreements to provide severance benefits to Ms. Council or Messrs. Smith and Dunn as of January 31, 2009. On March 25, 2009, the Company entered into severance agreements with each of the named executive officers. Each severance agreement provides that if the Company terminates an executive's employment without Cause (as defined in the severance agreement) or if the executive terminates his or her employment within twelve months of a Change in Control (as defined in the severance agreement) provided that within such

period the executive's job duties have been materially diminished or compensation has been materially decreased, the Company will provide the executive with separation payments of twelve months base salary. These new severance agreements supersede similar provisions in the employment agreements for Mr. Anderson and Ms. Feher. Pursuant to the terms of our 2005 Long-Term Incentive Plan and our 1999 Stock Option Plan, all outstanding options and unvested restricted stock will become 100% vested upon the occurrence of a change in control.

The following table summarizes the approximate value of the payments and benefits that each of our named executive officers would receive if he or she had terminated employment at the close of business on January 31, 2009 or if a change of control of the Company had occurred as of such date. The amounts shown in the table exclude distributions under our 401(k) retirement plan that is generally available to all of our salaried employees.

Value of Accelerated Unvested Restricted Stock(3)	\$ 309,696	\$ 144,608	\$ 88,858	\$ 66,338	\$ 69,082

- (1) Reflects cash severance equal to six months of the executive's then annual salary.
- (2) Reflects the excess, if any, of the fair market value of shares underlying unvested options as of January 31, 2009 over the exercise price of the options. Pursuant to the terms of both the 2005 Long-Term Incentive Plan and the 1999 Stock Option Plan, all stock options vest upon the occurrence of a change in control.
- (3) Pursuant to the terms of the grants of unvested restricted stock issued and outstanding as of January 31, 2009, such shares become 100% vested upon a change in control of the Company.

Director Compensation Table for Fiscal Year 2008

- (1) Reflects the amount recognized by the Company in fiscal year 2008 for financial accounting purposes relating to restricted stock awards, disregarding for this purpose the estimate of forfeitures related to service-based vesting conditions. The amounts reported were determined in accordance with FAS 123R. Expense equal to the fair value of each restricted stock award (the closing price of the Company's common stock on the date of grant) is amortized over the applicable vesting period. The restricted stock vests in full on the first anniversary of the grant date.

The following table shows the value of the restricted stock awarded to each director during fiscal year 2008:

<u>Name</u>	<u>Grant Date</u>	<u>Grant Date Fair Value of Stock Award (\$)</u>
Mr. Carney	3/31/08	55,000
Mr. Hyatt	3/31/08	55,000
Mr. Lupo	3/31/08	55,000
Ms. Luzier	3/31/08	55,000

The aggregate number of shares of restricted stock held by each director as of January 31, 2009 is as follows: Mr. Carney, 2,981; Mr. Hyatt, 2,981; Mr. Lupo, 2,981; Ms. Luzier, 2,981.

- (2) Reflects the amount recognized by the Company in fiscal year 2008 for financial accounting purposes relating to stock option awards, disregarding for this purpose the estimate of forfeitures related to service-based vesting conditions. The amounts reported were determined in accordance with FAS 123R. The assumptions used in determining the grant date fair values of the option awards are set forth in Note 8 to the Company's financial statements, which are included in our Annual Report on Form 10-K for the fiscal year ended January 31, 2009.

There were no awards of stock options to directors in fiscal 2008. The aggregate number of shares underlying stock options held by each director as of January 31, 2009 is as follows: Mr. Carney, none; Mr. Hyatt, 500; Mr. Lupo, 1,500; Ms. Luzier, 2,750.

Meeting Fees. Each of our non-employee directors received \$2,500 for each board meeting attended. All non-employee directors also received \$750 for telephonic meetings attended and \$750 for interviews of candidates for the President/Chief Operating Officer position. We reimburse all of our non-employee directors for reasonable out-of-pocket expenses in connection with their attendance at the meetings of the board of directors and committees.

Equity Awards. In addition, each non-employee director received restricted stock awards of 2,981 shares of the Company's common stock. These awards were granted under the 2005 Long-Term Incentive Plan.

**PROPOSAL 2:
APPROVAL OF THE CITI TRENDS, INC. ANNUAL INCENTIVE BONUS PLAN**

The board of directors has approved, subject to stockholder approval, the Citi Trends, Inc. Annual Incentive Bonus Plan (the "Bonus Plan"), which is intended to provide performance bonus opportunities to designated officers of the Company or its subsidiaries upon the attainment of pre-established performance goals for the Company's fiscal year (a "plan year"). The performance bonus is intended to satisfy the criteria necessary for the Company to deduct such bonus for U.S. federal income tax purposes. A summary of the Bonus Plan is set forth below. This summary is qualified in its entirety by the full text of the Bonus Plan, which is attached to this proxy statement as Appendix A.

Background

Section 162(m) of the Code places a limit of \$1 million on the amount of compensation that a company may deduct in any one year with respect to its "covered employees" (under current rules, the chief executive officer and the three most highly compensated executive officers other than the chief executive officer and the chief financial officer as of the end of any fiscal year). Certain qualifying performance-based compensation (i.e., compensation paid under a plan administered by a committee of "outside" directors, based on achieving objective performance goals, the material terms of which have been approved by stockholders) is not subject to the \$1 million deduction limit. The Company has been exempt from the limitations of Section 162(m) by virtue of a transition period exemption that applies in the case of a company's initial public offering of its common stock. This transition period will expire at the Company's 2009 annual meeting of stockholders. Consequently, the Company is seeking stockholder approval of the Bonus Plan to preserve its ability to grant certain fully deductible performance-based awards. For compensation to qualify for the performance-based compensation exclusion under Section 162(m), the material terms pursuant to which the performance-based compensation is to be paid, including the performance criteria and the maximum amount payable under the Bonus Plan to any one individual in respect of any plan year must be disclosed to, and approved by, our stockholders prior to the payment.

Approval of the Bonus Plan does not limit the ability of the board of directors or the Compensation Committee to adopt any additional bonus plan or program or to pay any other compensation to any executive officer or other employee. Any such additional bonus would not be considered performance-based compensation unless it complied with the stockholder approval and other requirements of Section 162(m).

Description of the Bonus Plan

Administration. The Compensation Committee will administer the Bonus Plan. Only members of the Compensation Committee who are "outside directors" within the meaning of Section 162(m) may vote on matters relating to the Bonus Plan. The Compensation Committee has authority to establish goals for each participant, calculate and determine each participant's level of attainment of such goals, and calculate the bonus for each participant based upon such level of attainment. Except as otherwise specifically limited in the Bonus Plan, the Compensation Committee has full power and authority to construe, interpret and administer the Bonus Plan.

Eligibility. The Compensation Committee may designate any officer of the Company or its subsidiaries to participate in the Bonus Plan. The Chief Executive Officer may designate additional senior vice presidents or executive vice presidents to participate in the Bonus Plan provided that such individuals are not anticipated to be a covered employee. Participants designated by the Compensation Committee or the Chief Executive Officer may vary from plan year to plan year.

Minimum Performance Goal. For each performance period, the Compensation Committee will establish a minimum performance goal based on one or more of the business criteria listed below. Bonuses will not be paid with respect to a performance period in which the Company does not achieve the minimum performance goal.

Limitation of Benefits. The maximum award payable to each participant will be \$2,000,000.

Bonus Awards. For each plan year, the Compensation Committee will establish Company financial objectives and individual performance objectives specific to each participant (in addition to the minimum performance goal discussed above) and target bonuses, expressed as a percentage of base salary, that will be awarded to a participant if the minimum performance goal is achieved and if the other established performance objectives are achieved at the target level. Actual bonuses may be greater or less than a participant's target bonus, depending on performance against Company financial objectives and individual performance objectives, and depending on whether the Compensation Committee exercises its discretion to increase or reduce a resulting bonus.

Performance Goals. The business criteria upon which the Compensation Committee may establish the minimum performance goal are:

- EBITDA
- EBIT
- Earnings Per Share
- Net income
- Pretax Income
- Sales
- Comparable Store Sales

Following the end of the applicable performance period, the Compensation Committee will certify the attainment of the minimum performance goal, the Company financial objectives and the individual objectives, and calculate the bonus, if any, payable to each participant. Bonuses will be paid in cash.

Treatment of Bonus upon a Participant's Termination of Service. In general, a participant must be employed through the end of a plan year to be eligible to receive such bonus. If a participant's service terminates prior to the end of a plan year by reason of death, disability or retirement (as such terms are defined in the Bonus Plan), or if such termination occurs for any reason other than death, disability or retirement and the Compensation Committee, in its discretion, shall so determine, the participant (or his or her beneficiary) will be paid a pro-rata bonus (based on the time elapsed prior to the date of termination) determined by actual performance levels. Such bonuses will be paid at the normal time for payment of bonuses under the Bonus Plan.

Treatment of Bonus upon a Change in Control. In the event of a change in control of the Company (as defined in the Bonus Plan) prior to the end of a plan year, participants will be paid a pro-rata bonus (based on the time elapsed prior to the change in control) determined as if the target level of performance had been achieved. Such bonuses will be paid within 30 days after the effective date of the change in control.

Amendment and Termination. The Compensation Committee may amend or terminate the Bonus Plan at any time. However, the Compensation Committee may condition any amendment on stockholder approval if necessary or deemed advisable with respect to applicable laws, policies or regulations, including U.S. tax laws. Termination or amendment of the Bonus Plan during a plan year may be retroactive to the beginning of the plan year in the Compensation Committee's discretion.

New Plan Benefits to Named Executive Officers and Others

Subject to stockholder approval of the Bonus Plan, the Compensation Committee has designated R. David Alexander, Jr., Elizabeth R. Feher, Bruce D. Smith, James A. Dunn and Ivy D. Council as participants in the Bonus Plan for the performance period of February 1, 2009 through January 30, 2010. Because amounts payable under the Bonus Plan are based on satisfaction of certain performance goals, it is not presently possible to determine the actual payments that will be received by named executive officers pursuant to the Bonus Plan with respect to the 2009 fiscal year. For such performance period, the target bonus awards granted under the Bonus Plan are set forth in the table below. These target bonus awards would be earned with respect to the 2009 fiscal year assuming that (i) the stockholders approve the Bonus Plan, (ii) the minimum performance goal is achieved, and (iii) actual performance measured against Company financial objectives and individual performance objectives established by the Compensation Committee result in an incentive award being earned at 100% of the target bonus.

<u>Name and Position</u>	<u>Target as a % of Base Salary</u>	<u>Target Bonus Amount (\$)</u>
R. David Alexander, Jr.	100%	500,000
Elizabeth R. Feher	65%	243,750
Bruce D. Smith	50%	150,000
James A. Dunn	50%	110,000
Ivy D. Council	50%	120,000

Vote Required; Recommendation

The affirmative vote of a majority of the votes cast on this proposal is required for approval of the Bonus Plan as it relates to our covered employees. If the Bonus Plan is not approved by our stockholders, the covered employees will not receive performance-based bonuses under the Bonus Plan.

The board of directors recommends that stockholders vote "FOR" approval of the Citi Trends, Inc. Annual Incentive Bonus Plan.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Policy and Procedures

The Company has adopted a Code of Business Conduct and Ethics which sets forth the Company's policy of prohibiting participation by an employee, officer or director (or his/her family members) in any transaction that could create an actual or apparent conflict of interest with the Company. Transactions prohibited by the Code of Business Conduct and Ethics, among other things, include: conducting business or engaging in a transaction on behalf of the Company with a family member or significant other or with a company in which the person or one of their family members is a significant owner or is associated or employed in a significant role or position; an employee accepting simultaneous employment with a client, credit source, supplier, or competitor, or taking part in any activity that enhances or supports a competitor's position; a director of the Company serving as a director of any other company that competes with the Company; and transactions in which an employee, officer or director invests in a client, credit source, supplier or competitor that compromises his or her responsibilities to the Company.

The Company's Code of Business Conduct and Ethics requires that the Audit Committee must review and approve in advance all material related party transactions or business or professional relationships that could present a conflict of interest. All instances involving potential related party transactions or such business or professional relationships must be reported to the Chief Executive Officer who will assess the materiality of the transaction or relationship and elevate the matter to the Audit Committee as appropriate. The Company will report all material related party transactions and such business or professional relationships under applicable accounting rules and the SEC's rules and regulations. Any dealings with a related party will be conducted in such a way as to avoid preferential treatment and assure that the terms obtained by the Company are no less favorable than could be obtained from unrelated parties on an arm's-length basis.

In addition, the charter of the Audit Committee requires the Audit Committee to review and approve all related party transactions as defined by Item 404 of the SEC's Regulation S-K in accordance with NASDAQ listing standards. It is also one of the responsibilities of the Nominating and Corporate Governance Committee, as set forth in its charter, to consider possible conflicts of interests of directors and any related party transactions in connection with the determination of director independence.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors, and persons who own, or are part of a group that owns, more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten percent stockholders are required by regulation of the SEC to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of reports furnished to us, all reports required by Section 16(a) of the Exchange Act to be filed by our directors and executive officers and all beneficial owners of more than ten percent of our common stock outstanding to report transactions in our securities were timely filed.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information known to us with respect to the beneficial ownership of our common stock as of March 30, 2009, for the following persons:

- each stockholder known by us to own beneficially more than 5% of our common stock;
- each of our directors and named executive officers; and
- all directors and executive officers as a group.

This table lists applicable percentage ownership based on 14,685,737 shares of common stock outstanding as of March 30, 2009. We have determined beneficial ownership in the table in accordance with the rules of the SEC. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, we have deemed shares of common stock subject to options held by that person that are currently exercisable or will become exercisable within 60 days of March 30, 2009, to be outstanding, but we have not deemed these shares to be outstanding for computing the percentage ownership of any other person. To our knowledge, except as set forth in the footnotes below, each stockholder identified in the table possesses sole voting and investment power with respect to all shares of common stock shown as beneficially owned by that stockholder.

**PROPOSAL 3:
RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Our Audit Committee has appointed KPMG LLP as our independent registered public accounting firm for the fiscal year ending January 30, 2010, and further directed that the appointment of KPMG LLP be submitted for ratification by the stockholders at the annual meeting. KPMG LLP has served as our independent registered public accounting firm since fiscal 2002. We understand that a representative from KPMG LLP will be present at the annual meeting, will have the opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

Stockholder ratification of the appointment of KPMG LLP as our independent registered public accounting firm is not required. However, the appointment is being submitted for ratification at the annual meeting with a view toward soliciting the stockholders' opinions, which the Audit Committee will take into consideration in future deliberations. If the appointment of KPMG LLP is not ratified at the annual meeting, the Audit Committee will consider the engagement of another independent registered public accounting firm. The Audit Committee may terminate the engagement of KPMG LLP as our independent registered public accounting firm without the approval of our stockholders whenever the Audit Committee deems termination necessary or appropriate.

Principal Accounting Fee Information

The following table sets forth the aggregate fees paid or payable to KPMG LLP relating to the audit of our fiscal 2007 and 2008 financial statements and the fees billed to us in 2007 and 2008 by KPMG LLP for other professional services:

	<u>Fiscal 2007</u>	<u>Fiscal 2008</u>
Audit Fees (1)	\$1,173,466	\$833,771
Audit-Related Fees	—	—
Tax Fees	—	—
All Other Fees	—	—

-
- (1) Audit fees include amounts billed to us related to the annual audit of our financial statements and interim reviews of the quarterly financial statements filed for fiscal 2007 and fiscal 2008. For fiscal 2007, this category includes services associated with a secondary public offering, including the related registration statement and an additional registration statement.

Audit Committee Pre-Approval Policy

In accordance with our Audit Committee pre-approval policy, all audit services performed for us by our independent registered public accounting firm were pre-approved by our Audit Committee.

Our Audit Committee's pre-approval policy provides that our independent registered public accounting firm shall not provide services that have the potential to impair or appear to impair the independence of the audit role. The pre-approval policy requires our independent registered public accounting firm to provide an annual engagement letter to our Audit Committee outlining the scope of the audit services proposed to be performed during the fiscal year. Upon the Audit Committee's acceptance of and agreement with such engagement letter, the services within the scope of the proposed audit services shall be deemed pre-approved pursuant to the policy.

The pre-approval policy provides for categorical pre-approval of specified audit and permissible non-audit services and requires the specific pre-approval by the Audit Committee, prior to engagement, of such services, other than audit services covered by the annual engagement letter. In addition,

services to be provided by our independent registered public accounting firm that are not within the category of pre-approved services must be approved by the Audit Committee prior to engagement, regardless of the service being requested or the dollar amount involved.

Requests or applications for services that require specific separate approval by the Audit Committee are required to be submitted to the Audit Committee by both management and the independent registered public accounting firm, and must include a detailed description of the services to be provided.

Our policies prohibit us from engaging the independent registered public accounting firm to provide any services relating to bookkeeping or other services related to accounting records or financial statements, financial information systems design and implementation, appraisal or valuation services, or contribution-in-kind reports, actuarial services, any management function, legal services or expert services not related to the audit, broker-dealer, investment adviser, or investment banking services or human resource consulting. In addition, we evaluate whether our use of the independent registered public accounting firm for permitted non-audit services is compatible with maintaining the independence of the independent registered public accounting firm.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee is prohibited from delegating to management its responsibilities to pre-approve services to be performed by our independent registered public accounting firm.

Vote Required; Recommendation

The affirmative vote of a majority of the votes cast at the annual meeting is required to ratify the appointment of KPMG LLP as our independent registered public accounting firm.

The board of directors recommends that stockholders vote "FOR" ratification of the appointment of KPMG LLP as the independent registered public accounting firm of the Company for the fiscal year ending January 30, 2010.

ARTICLE 3 ADMINISTRATION

3.1. *COMMITTEE.* This Plan shall be administered by the Committee.

3.2. *AUTHORITY OF COMMITTEE.* The Committee has the exclusive power, authority and discretion to:

- (a) Designate Participants for each Plan Year;
- (b) Establish and review Performance Objectives and weightings for different Performance Objectives for each Plan Year;
- (c) Establish Target Bonuses for Participants for each Plan Year;
- (d) Determine whether and to what extent Performance Objectives were achieved for each Plan Year;

- (e) Increase (subject to the Individual Award Limit) or decrease the Performance Bonus otherwise payable to any Participant resulting from the achievement of financial Performance Objectives in any Plan Year, based on such subjective factors as the Committee shall deem relevant;
- (f) Establish, adopt or revise any rules and regulations as it may deem necessary or advisable to administer this Plan;
- (g) Make all other decisions and determinations that may be required under this Plan or as the Committee deems necessary or advisable to administer this Plan; and
- (h) Amend this Plan as provided herein.

3.3. *DECISIONS BINDING.* The Committee's interpretation of this Plan and all decisions and determinations by the Committee with respect to this Plan are final, binding, and conclusive on all parties.

ARTICLE 4 ELIGIBILITY

4.1. *DESIGNATION OF PARTICIPANTS.* Officers of the Company or its Subsidiaries are eligible to participate in the Plan. Exhibit A hereto lists the officers who are designated as Participants in this Plan for the 2009 Plan Year. The Chief Executive Officer may designate additional Senior Vice Presidents or Executive Vice Presidents as Participants and shall promptly report such additional names to the Committee; provided, however, that such delegated authority shall be limited to individuals who are not anticipated to be Covered Employees for the Plan Year. The Committee, in its discretion, may determine whether other positions may qualify for participation in all or any portion of this Plan for any subsequent Plan Year or change Target Bonuses of existing Participants. Within the first 90 days of each Plan Year, the Committee shall approve and substitute a new Exhibit A indicating the Participants and their Target Bonuses for that Plan Year. The Company will notify Participants of their eligibility to participate, and the terms thereof, in writing.

4.2. *PARTIAL YEAR PARTICIPATION.* If a Participant begins employment or is promoted to an eligible position after the beginning of a Plan Year, the Committee, in its discretion, may determine whether such person may participate in this Plan and if so, the terms of such participation, which will be prorated based on the number of days such person participated in this Plan during the Plan Year, unless the Committee determines otherwise. If a Participant takes a leave of absence during the Plan Year for any reason the Participant will receive a pro rata share of a Performance Bonus, if any, for such Plan Year, unless the Committee decides otherwise.

4.3. *DEMOTIONS.* If a Participant is demoted during the Plan Year, the Committee will determine whether Plan participation ends at that time, or is continued, perhaps at a reduced level. If participation ends, any Performance Bonus earned during the time of participation will be prorated for the Plan Year.

ARTICLE 5 OPERATION OF THE PLAN

5.1. *PLAN STRUCTURE.* Each Participant shall be eligible to receive a Performance Bonus for the Plan Year if the Company meets or exceeds certain Performance Objectives set by the Committee. It is anticipated that the Committee shall establish or approve Performance Objectives and their respective weightings, and Target Bonuses as provided in Sections 5.2, 5.3 and 5.4. In establishing Performance Objectives, the Committee may take into account such factors as it deems appropriate, including, without limitation, prior year results, planned business results, anticipated business trends, performance relative to peer companies and macroeconomic conditions. Those Performance Objectives

shall provide the framework for the Committee in determining the appropriate amount of incentive awards to payout in each Plan Year. However, this Plan is designed to provide the Committee discretion to make pay-outs that differ from those that would result from the application of Sections 5.2, 5.3 and 5.4, if circumstances warrant, so long as, at a minimum, the requirements of Section 5.5 are met. Such circumstances could include, for example and without limitation, events that are not anticipated at the time the Performance Objectives are established or extenuating circumstances or extraordinary performance that is not recognized through the Performance Objectives.

5.2. *ESTABLISHMENT OF TARGET BONUSES.* The Committee plans to establish Performance Objectives (in addition to Minimum Required Performance) and Target Bonuses (other than the Individual Award Limit) for each Plan Year, by approving the percentage of each Participant's base salary that will be awarded to the Participant for that Plan Year if Minimum Required Performance is achieved and if the other established Performance Objectives are achieved at the target level (the "Target Bonus"). Each Participant's Target Bonus percentage will be communicated in writing to the Participant. The actual Performance Bonus to a Participant may be greater or less than his or her Target Bonus, depending on the level of achievement of Company Financial Objectives, as provided in the relevant Schedule, and Individual Performance Objectives, and depending on whether the Committee exercises its discretion to increase or reduce a resulting Performance Bonus as provided herein.

5.3. *COMPANY FINANCIAL OBJECTIVES.* Within the first 90 days of each Plan Year, it is anticipated that the Committee will approve Company Financial Objectives for that Plan Year in addition to Minimum Required Performance, and shall set forth such Company Financial Objectives in one or more Schedules. The Schedule shall provide the formula that the Committee will use as a guide for determining a Participant's Performance Bonus at a level below the Individual Award Limit.

5.4. *INDIVIDUAL PERFORMANCE OBJECTIVES.* Within the first 90 days of each Plan Year, it is anticipated that the Committee will approve Individual Performance Objectives for Participants who are executive officers and that the Chief Executive Officer or other appropriate officers will approve Individual Performance Objectives for other Participants. Any such Individual Performance Objectives will be communicated to Participants in writing. The Committee shall consider the degree of achievement of Individual Performance Objectives as a guide in exercising its discretion in determining a Participant's Performance Bonus at a level below the Individual Award Limit.

5.5. *MINIMUM REQUIRED PERFORMANCE GOAL AND INDIVIDUAL AWARD LIMITS.* The Committee will establish for each Plan Year beginning with the 2009 Plan Year a minimum performance goal ("Minimum Required Performance") under the Plan based on one or more of the following Qualified Business Criteria:

- EBITDA
- EBIT
- Earnings Per Share
- Net Income
- Pretax Income
- Sales
- Comparable Store Sales

In any Plan Year in which Minimum Required Performance is achieved, the Performance Bonus payable to each Participant under the Plan for such Plan Year shall be \$2 million (the "Individual Award Limit") or any lesser amount determined by the Committee based on the level of actual performance compared to Company Financial Objectives and/or Individual Performance Objectives and

such other Performance Objectives or any other criteria determined by the Committee. As described herein, it is anticipated that the Committee will exercise discretion such that the Performance Bonus paid to a Participant for a Plan Year would represent the amount that would be payable pursuant to the applicable Company Financial Objectives and/or Individual Performance Objectives, rather than the full Individual Award Limit. In any Plan Year in which the Committee fails to set a Target Bonus for a Participant, the Performance Bonus for that Participant shall be zero for that year unless the Committee determines otherwise (but in no event shall the bonus exceed the Individual Award Limit).

The Minimum Required Performance shall be communicated in writing to each Participant within the first 90 days of each Plan Year.

5.6. *PAYOUT FORM AND TIMING.* Performance Bonuses will be paid within thirty (30) days after the Committee determines whether and to what extent Performance Objectives were achieved, but no later than the 15th day of the third month following the end of the Plan Year for which the Performance Bonuses, if any, were earned.

5.7. *TERMINATION OF EMPLOYMENT.* In the event of the termination of a Participant's employment prior to the end of the Plan Year, the Participant shall not be entitled to payment of any Performance Bonus; provided, however, that (i) if such termination is by reason of the Participant's death, Disability or Retirement, or (ii) if such termination occurs for any reason other than death, Disability or Retirement and the Committee, in its discretion, shall so determine, the Participant will be paid a Performance Bonus equal to the pro rata portion (based on the number of days worked during the Plan Year) of the Performance Bonus, if any, that would otherwise be payable if the Participant had continued employment through the end of the Plan Year, based on actual performance. For example, no Performance Bonus shall be paid if Minimum Required Performance is not achieved. If Minimum Required Performance is achieved, then the Participant's Performance Bonus shall be based on the applicable performance matrix. Any such Performance Bonus shall be paid at the normal time for payment of Performance Bonuses hereunder. Any amounts paid on behalf of a deceased Participant will be paid to the Participant's Beneficiary. For terminations after the end of the Plan Year, but before payout from this Plan, payout will be made as though the termination had not occurred.

5.8. *CHANGE IN CONTROL.* In the event a Change in Control occurs during the Plan Year, a pro rata portion of the Target Bonus amounts for that Plan Year (based on the number of days in the Plan Year preceding the Change in Control, divided by 365) shall be deemed earned, notwithstanding the level of achievement of Performance Objectives or Minimum Required Performance. Such pro rata Target Bonuses shall be paid to Participants no later than 30 days after the effective date of the Change in Control.

ARTICLE 6 AMENDMENT, MODIFICATION AND TERMINATION

6.1. *AMENDMENT, MODIFICATION AND TERMINATION.* The Committee may, at any time and from time to time, amend, modify or terminate this Plan. The Committee may condition any amendment or modification on the approval of shareholders of the Company if such approval is necessary or deemed advisable with respect to tax, securities or other applicable laws, policies or regulations, including without limitation Code Section 162(m).

6.2. *TERMINATION AFTER OR DURING PLAN YEAR.* Termination of this Plan after a Plan Year but before Performance Bonuses are paid for that Plan Year will not reduce Participants' rights to receive Performance Bonuses for the Plan Year. Termination or amendment of this Plan during a Plan Year may be retroactive to the beginning of the Plan Year, at the discretion of the Committee. If a Change in Control occurs, no amendment or termination may adversely affect amounts payable to a Participant without the consent of the Participant.

**ARTICLE 7
GENERAL PROVISIONS**

7.1. *NO RIGHT TO PARTICIPATE.* No employee has any right to be selected to participate in this Plan.

7.2. *NO RIGHT TO EMPLOYMENT.* Nothing in this Plan shall interfere with or limit in any way the right of the Company or any Subsidiary to terminate any Participant's employment at any time, nor confer upon any Participant any right to continue in the employ of the Company or any Subsidiary.

7.3. *WITHHOLDING.* The Company or any Subsidiary shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, and local taxes (including the Participant's FICA obligation) required by law to be withheld with respect to any taxable event arising as a result of this Plan.

7.4. *FUNDING.* Benefits payable under this Plan to a Participant or to a Beneficiary will be paid by the Company from its general assets. The Company is not required to segregate on its books or otherwise establish any funding procedure for any amount to be used for the payment of benefits under this Plan. The Company may, however, in its sole discretion, set funds aside in investments to meet its anticipated obligations under this Plan. Any such action or set-aside may not be deemed to create a trust of any kind between the Company and any Participant or beneficiary or to constitute the funding of any Plan benefits. Consequently, any person entitled to a payment under this Plan will have no rights greater than the rights of any other unsecured creditor of the Company.

7.5. *EXPENSES.* The expenses of administering this Plan shall be borne by the Company and its Subsidiaries.

7.6. *TITLES AND HEADINGS.* The titles and headings of the Sections in this Plan are for convenience of reference only, and in the event of any conflict, the text of this Plan, rather than such titles or headings, shall control.

7.7. *GENDER AND NUMBER.* Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

7.8. *GOVERNING LAW.* To the extent not governed by federal law, this Plan shall be construed in accordance with and governed by the laws of the State of Delaware.
